

# Unarmed / Armed Guard Class Info

## **IF YOU ARE NOT YET AN UNARMED GUARD:**

You can now take the UNarmed security guard training online:

<https://azsecuritygroup.com/online/program/2-security/2-uag>

Just click the green box, the course will take 8 hours, and cost \$52.00.\*

When you finish the online course, complete the application (fingerprints at UPS store or PVPD tues & thur, 8-10 am) then (passport foto at Walgreens). When completed, contact Valerie Fowler, 928-910-3457, to schedule the Armed training.

## **IF YOU ARE ALREADY AN UNARMED GUARD:**

The armed guard portion of the training will require another 4-8 hours at the Prescott Shooting Range and Gun Club, 1200 Iron Springs Rd, Prescott, AZ 86305. The cost of our training is \$175.00\*. DPS license cost is separate and payable to DPS. **YOU MUST SHOW A WRITTEN OFFER OF EMPLOYMENT TO TAKE THE CLASS.**

For the class you will need:

1. Semi-auto pistol. We recommend a 9mm.
2. Duty belt, nylon with velcro on outside. Nylon pants belt with velcro on inside. They seal each other.
3. Level 2 holster, double magazine carrier plus 2 or 3 magazines, handcuff carrier, at least one flashlight in carrier. A second flashlight should be somewhere easily accessible; "two is one, one is none." Batteries always go dead. Safariland makes an excellent Level 2 polymer holster.
5. 50 rounds of ammo.
6. Notebook and black pen.

## **IF YOU ARE LOOKING FOR THE 2-YEAR RENEWAL:**

This is a review of the armed guard graining with a 30-question quiz and 50-round range qualification. The cost of our training is \$175\*. DPS renewal cost is separate and payable to DPS.

We look forward to seeing you! If you have any questions, call Val at (928) 910-3457.

PRESCOTT SHOOTING RANGE

# ARMED SECURITY GUARD GUIDELINES

## ARIZONA DEPARTMENT OF PUBLIC SAFETY 16 HOUR ARMED SECURITY GUARD FIREARMS TRAINING PROGRAM LESSON PLAN February 2, 2007

### Appendix A Armed Security Guard Authorized Course of Fire - Handgun

This 50 round handgun qualification course requires a minimum passing score of at least 175 (70% of 250 maximum possible points), using an NRA TQ-15, TQ-19 or equivalent, i.e., secondary scoring ring equal to 14 x 16, or less. Shots to the head/neck within the secondary scoring ring count as hits. Shots impacting outside of the 2<sup>nd</sup> scoring ring will not count. Each hit will count as 5 points. Students firing semiautomatic pistols may reload as needed, except for the final string at the 7-yard line, which is mandatory. All rounds will be fired using two hands. Ensure students understand what each start position is by demonstration.

<b>Distance (Yards)</b> <i>At the ____.</i>	<b>Start Position</b> <i>from the ____.</i>	<b>Rounds</b> <i>fire ____ rounds</i>	<b>Time (Seconds)</b> <i>in ____ seconds.</i>	<b>Other</b> <i>then ____.</i>

5	Ready	2	3	Go to ready
5	Ready	2	3	Reload, holster
3	Holster	2	4	Go to ready
3	Ready	2	3	Go to ready
3	Ready	2	3	Reload, holster
3	Holster	2	4	Go to ready
3	Ready	2	3	Go to ready
3	Ready	2	3	Clear, holster

## **PRE-Range Safety Briefing**

- Eyes and Ears must be ON, BEFORE entering Range area.
- NO LOADED firearms will pass through the Range entry/exit doors.
- Firearms will be loaded when the “Load and Make Ready” command is given.
- Firearms will NOT come out of the holster unless you are facing downrange and permission is granted, or the ‘fire’ command has been given.
- Firearms will not come out of the holster unless you are fully inside your lane cubicle, behind the line and standing on the lane pad.
- When your shooting qualification is completed, you will be instructed to “Unload and make safe”, then holster your empty firearm. (No magazine)
- When ready, you will be given the command when to collect your belongings and we all exit together.
- Be aware there will be at least one ‘Range Safety Officer’ monitoring the range activity, and he will callout violations as they occur, that I may miss.

One violation of these rules will result in disqualification. You will then have to leave the range, to return another day.

### **Never forget the four rules of handgun safety:**

1. Every gun is always loaded.
2. Do NOT point at anything you do not wish to destroy.
3. Do NOT put your finger on the trigger until you are ready to shoot.
4. Be sure of your target and beyond.

**Target that will be used:**
